O'ROURKE'S PEAK CELLARS – British Columbia						
SUSTAINABLE						
An exciting new project in Lake Country founded by Albertan Dennis O'Rourke. In 2012 O'Rourke hired Adrian Baker the former Head of Cool Climate Oenology from Craggy Range (NZ), to oversee the mapping of soil types and the planting for a single 200 acre vineyard on a perfect south facing slope over Lake Okanagan. Planted exclusively to Burgundian and Germanic varietals, the vineyard also includes the largest planting of Gruner Veltliner in BC. O'Rourke's Peak Cellars is an entirely estate winery sourcing all of it's grapes from the Lake Country appellation.

GIOVANNI MANZONE – Piedmont

ORGANIC

Located in the gorgeous hilltop town of Monforte, the history of this family estate dates back to 1929 when Giovanni Manzone bottled his first wines from the historic hill of "Gramolere" and eventually added bottlings from the Barolo crus of "Castelletto" and "Bricat". The Wine Advocate describes Manzone as a winery that "... continues to produce some of the most unique Barolos in the zone. Although his hometown of Monforte is best known for structured wines, Manzone's vineyards are among the highest in the region, and as a result his wines show unusually delicate, often ethereal personalities"

TENUTA SANTA MARIA – Veneto						
ORGANIC						
<p>Official documents from as early as the mid-1500s attest to the Bertani family heritage in the Valpolicella region. At the start of the last half of the 1800s, brothers Gaetano & Giovanni Battista Bertani set out to establish the first commercial bottler in Valpolicella. They introduced revolutionary vine growing techniques developed by agronomist Jules Guyot, techniques to which Gaetano Bertani had been exposed during his years of political exile in France for his active role in the Italian Unification Movement against the Austrian Empire. Today, Gaetano Bertani, great-grandson of founding brother Gaetano, and his sons, Giovanni and Guglielmo, maintain the family tradition and philosophy. Now in its sixth generation, the Bertani enterprise continues in the tradition of one of the oldest winemaking families in Italy.</p>

DOMAINE DE LA SOLITUDE – Rhone						
ORGANIC / BIODYNAMIC						
<p>Chateauneuf-du-Pape translates to "new house of the Pope" and refers to the relocation of the papal court to Avignon in the 14th century. Many Italian nobles moved to the area as well, and, thus the Lancon family members (owners of Domaine de la Solitude) are direct descendants of the Barberini family of Rome, still prominent family in Italy to this day - among their ancestors number Pope Urban VIII and two Cardinals. Since the Renaissance, through the French Revolution and into modern times, the family has played a part in the narrative that has been written about Chateauneuf-du-Pape. The Estate is a single plot of 100 acres, planted to 86 acres of red grapes and 14.8 acres of white grapes, with vines averaging 50 years of age. The viticulture is organic and moving towards biodynamic certification while the viniculture is as non-interventionist as possible under the watchful eye of winemaker Florent Lancon. Domaine de la Solitude produces a very elegant style, regarded as the most "Burgundian" of the major Chateauneuf du Pape houses.</p>

DOMAINE RICHAUME – Provence						
ORGANIC / BIODYNAMIC						
<p>Situated at the base of Mont Sainte Victoire in the heart of Provence, Richeaume was founded in 1972 by Swiss born/Yale based academic Henning Hoesch. Hoesch had very specific ideas for the estate, becoming one of the first in the region to both farm organically and to plant Bordeaux varietals. In the late 1990s Henning ceded winemaking duties to his son Sylvain, who had trained with Paul Draper at Ridge Winery. Heavily influenced by his time with Draper, Sylvain determined that the Provence AOC rules were not in line with his vision for the wines so Richeaume works exclusively under the IGP designation because it affords more creativity with less rigid regulation.</p>

VINA MEIN – EMILIO ROJO – Ribeira

ORGANIC

The two leading white wine producers of Ribeira were purchased by the Ruiz family of Pago de Carraovejas in July 2019. The Mein vineyard dates to 1158 as a vineyard noted for it's outstanding quality of grapes. Vina Mein was undertaken in 1988 by Javier Alen and was focused on restoring indigenous varieties that almost gone extinct, notably Treixadura. Emilio Rojo, is a famed iconoclast who focussed on a single wine, a blend of Treixadura and other indigenous varieties. His search for complexity and terroir expression of his tiny 1.2 hectare vineyard has earned him the respect and admiration of his peers. Emilio Rojo continues to consult for this project.

GARAGE WINE CO. – Maule ORGANIC Garage Wine Co. is the brain child of Ontario native Derek Mossman and his Chilean wife Pilar Miranda. Started, literally, in their Garage, it has grown to be a unique and dynamic project focussed on a series of individual old-vine, dry-farmed vineyards located in the Maule & Itata Valleys, south of Santiago. These small parcels are either farmed by them or the local subsistence farmers who continue to hand tend the vineyards traditionally. All lots are vinified separately with very low intervention. When Derek speaks of "provenance" he is referring beyond the terroir to the farming practices & traditions that have shaped the identity of these vineyards and the wines.
