GIOVANNI MANZONE – Piedmont						
ORGANIC						
<p>Located in the gorgeous hilltop town of Monforte, the history of this family estate dates back to 1929 when Giovanni Manzone bottled his first wines from the historic hill of “Gramolere” and eventually added bottlings from the Barolo crus of “Castelletto” and “Bricat”. The Wine Advocate describes Manzone as a winery that “... continues to produce some of the most unique Barolos in the zone. Although his hometown of Monforte is best known for structured wines, Manzone’s vineyards are among the highest in the region, and as a result his wines show unusually delicate, often ethereal personalities”</p>

TENUTA SANTA MARIA – Veneto

ORGANIC

Official documents from as early as the mid-1500s attest to the Bertani family heritage in the Valpolicella region. At the start of the last half of the 1800s, brothers Gaetano & Giovanni Battista Bertani set out to establish the first commercial bottler in Valpolicella. They introduced revolutionary vine growing techniques developed by agronomist Jules Guyot, techniques to which Gaetano Bertani had been exposed during his years of political exile in France for his active role in the Italian Unification Movement against the Austrian Empire. Today, Gaetano Bertani, great-grandson of founding brother Gaetano, and his sons, Giovanni and Guglielmo, maintain the family tradition and philosophy. Now in its sixth generation, the Bertani enterprise continues in the tradition of one of the oldest winemaking families in Italy.

The Bettarini family have farmed Fattoria di Piazzano since its inception in 1948. In the 1990s they replanted many of the classic Tuscan indigenous varietals which are used solely in their Chiantis. For decades this passionate, family-run operation has produced quality wines of typicity at a fraction of the price of its better-known neighbors within the bounds of Chianti Classico a few miles to the east.

CAPEZZANA – Tuscany

ORGANIC

Historic Tuscan producer whose estate dates to 804 AD. Owned by the Medici family in the 1700s, it was the first demarcated region with its own grape growing rules, establishing the first de facto DOCG in Italy. The 53 km wall separating the Medici's hunting grounds (now known as Carmignano) was called the "Barco Reale". The Capezzana estate was purchased from the Rothschild family in the 1920s by the Bonacossi family who were instrumental in the formation of Carmignano as a formal DOCG. Today Capezzana produces 80% of the entire appellation.

DOMAINE RICHAUME – Provence						
ORGANIC / BIODYNAMIC						
<p>Situated at the base of Mont Sainte Victoire in the heart of Provence, Richeaume was founded in 1972 by Swiss born/Yale based academic Henning Hoesch. Hoesch had very specific ideas for the estate, becoming one of the first in the region to both farm organically and to plant Bordeaux varietals. In the late 1990s Henning ceded winemaking duties to his son Sylvain, who had trained with Paul Draper at Ridge Winery. Heavily influenced by his time with Draper, Sylvain determined that the Provence AOC rules were not in line with his vision for the wines so Richeaume works exclusively under the IGP designation because it affords more creativity with less rigid regulation.</p>

GARAGE WINE CO. – Maule ORGANIC Garage Wine Co. is the brain child of Ontario native Derek Mossman and his Chilean wife Pilar Miranda. Started, literally, in their Garage, it has grown to be a unique and dynamic project focussed on a series of individual old-vine, dry-farmed vineyards located in the Maule & Itata Valleys, south of Santiago. These small parcels are either farmed by them or the local subsistence farmers who continue to hand tend the vineyards traditionally. All lots are vinified separately with very low intervention. When Derek speaks of "provenance" he is referring beyond the terroir to the farming practices & traditions that have shaped the identity of these vineyards and the wines.
